

# WHAT VISITORS, EXHIBITORS & SPONSORS HAVE TO SAY ABOUT CRC SPEEDSHOW 2016

“The Speedshow team did a great job lifting the 2016 show to a whole new level, CRC Industries NZ is proud to be associated with Speedshow and show our commitment by continuing as naming rights sponsor for the 2017 event.”

– Murray Walbran,

“Thanks for a great show, we don’t attend with the expectation of selling anything. We treat the show as a brand awareness exercise and as such an investment in the future. Please book our usual site for 2017.”

“The CRC Speedshow has once again been a terrific event for our business. This was our 7th year at the CRC Speedshow and it just gets better and better. The show has played a significant part in helping build our brand with the awareness created at the show. A big hat’s off to all the team at CRC Speedshow and we’re looking forward to 2017. ”

– Bryce Townsend,  
Open Wheel / Speed Sport Tours

“A huge thanks for your support this year. It has provided my business with many opportunities and I look forward to what is to come from this. Once again a great show. Thanks,”

– Ryan Barnett,  
Vehicle Valuation Services

“Thank you for having us at the CRC Speedshow. It was good to be there despite the austerity of having to drive all the way up to Auckland from Christchurch. We had a great time and everything worked well for us, making lots of contacts. Luckily the weather didn’t create too much havoc this year and the marquee provided excellent shelter from the rain. Kind regards from the X-Bow Team”

– Stephen, Ben and Jvala,  
X-Bow New Zealand

“From our perspective, being the third year back, we would have to say that the CRC Speedshow is one of the best events on the calendar each year. For the most part, the crowd that it attracts are the right kind of customers for us; they are into their cars and are not afraid to spend the money with us. The organisation of the show is very good and we really enjoy the couple of days! ”

– Nick Hoyle,  
Platinum Wheels

“Thanks to you and the team for your fine work at Speedshow again. We had a boomer, so very good for us and it’s still going strong.”

– Shane Drake,  
Chicane Racewear

“Wow, what an awesome show - best one yet... So many amazing things to see and do..! Thanks guys, keep up the good work”

– Speedshow Visitor

“What an absolute privilege to have been involved in such a well presented, organised and sponsored event. Many thanks for the opportunity, kind regards ”

– Steve Haddock,  
Teng Tools Grand National Rod & Custom Show entrant

“I would just like to say thank you for the weekend at the famous CRC Speed show. It is the first time we have ever attended a show and from Carson wholesales point of view it was a great success for us to be there.”

– Michael Kelly,  
Carson Wholesale

“That was the very best Speedshow I have ever been too, lots of trade stands, interesting people and mega entertainment. So pleased we attended, me and the boys will make the trip again next year..”

– Speedshow Visitor

“Best one yet - I think a better spectacle than BBT, which is also good, but this year was a really good mix – the standard of show cars was very good! - shame not to see more NZ based tuning houses there, but I suspect they will next year - well done organisers - really enjoyed this one”
